Yearbook Message and Advertising Opportunity: Once again, it's time for the 8th grade students to offer you the chance to place a message and/or business ad in the GWCS 2009-2010 yearbook. Say something memorable to your student, or give your business a "shout-out"! This year, a portion of the funds raised from the sale of yearbook space will go to the Haiti relief efforts of our students. Please see the attached letter and order form for more information. Thank you for your help!

TD Bank Affinity Membership Program:

The TD Bank Affinity Membership Program offers a great opportunity to provide financial assistance to Green Woods Charter School. The program is simple: the more Green Woods members who bank with TD Bank, the more money our school can earn. There are no costs involved – in fact it actually pays to belong!

TD Bank will contribute a percentage of the annual balance in every one of our member's accounts. Checking, savings, money market, CD's and retirement accounts are all included! And, there is no limit on the amount of our potential contribution!!

If you are already a TD Bank customer, visit any branch and ask to have your balances included as part of Green Wood's Affinity Membership Program. If you are not a TD Bank customer, sign up now. As a special incentive TD Bank will add \$25 when you open a new non-interest bearing checking account.

New Special Offer - Open a new non-interest bearing checking account by February 28th, 2010 and TD Bank will give add \$50 to your new account.

Upcoming parent workshops – Parents, the topic below was the one of greatest interest to parents from the Parent Training Survey. **To make this workshop as useful as possible we need your input.** Please email to Miss Mc Nichol any questions, problems, concerns you have regarding homework, organization and study skills at amcnichol@greenwoodscharter.org. Any and all comments are welcomed.

Organization, Study Skills, and Homework Workshop – This two-part workshop will focus on how to help your child complete homework and long term projects in an organized fashion with increased independence. Content will focus on specific concerns reported by parents to workshop presenter.

Dear Families of the Green Woods Charter School Community,

We, the 8th grade, have been working on our yearbook for quite some time now. Just like last year's yearbook, there will be extra pages at the end for advertisements and messages. In support of the 8th grade students, we are selling these advertisements at the cost listed below, and we greatly appreciate your support.

In past years, people have congratulated their children, wished them luck, or simply sent a message of love. You can also use this space to advertise your business.

If you would like to purchase a page please fill out the form below and send it in with payment. Once we have received your payment, we will send you a form which you can use to write your message. Please keep in mind that a portion of your donations will be given to our class gift. This year, the class of 2010 feel that our money is better used somewhere else, so we have decided to raise money for those suffering in Haiti. Next to all they own has been destroyed. The people of Haiti are in need of money to help rebuild their cities. Both we and the Haitians greatly appreciate your support.

**Thank You,
Class of 2010**

Please check the kind of page that you would like, and write the amount of pages you would like.

Please enclose your money and/or check made out to Green Woods Charter School. If writing a check, please note **YEARBOOK in the memo field. Thank you!**
