

WEDNESDAY BULLETIN

Thursday, March 25, 2010

**SPRING BREAK – MONDAY, MARCH 29, 2010 THROUGH FRIDAY, APRIL 2, 2010
ENJOY YOUR TIME OFF!**

Reading Olympics will no longer take place on Tuesday afternoons after school.

8th Grade Parent Meeting: The next scheduled 8th grade parent meeting will be held **Thursday, March 25, 2010 @ 7:00 p.m.** in the science trailer. We hope to see everyone there.

Third Grade Performance: Come see how Harriet Tubman helped many slaves escape to freedom, how Dr. Martin Luther King Jr. fought to end segregation, and how many people fought for equal rights. The Third grade students will be performing three plays as part of our black history unit. The production will include “The Railroad to Freedom”, “Speaking for Justice: Dr. Martin Luther King”, and “K.C.’s Dream”. We invite everyone in the community to come and see our performance **Thursday March 25th** at 7pm in the Green Woods auditorium. You won’t want to miss this spectacular production! Hope to see you there.

HATS 4 HAITI – Your chance to help! The 1st and 8th grade classes are working on a fundraiser for the victims of the earthquake in Haiti, and we need your help. We are raising money to give food, water, shelter, and medical care to the millions of survivors. The money we raise will be donated to the American Red Cross. Donate **\$4 or more** to our fundraiser, Hats 4 Haiti, and wear your hat to school **THIS FRIDAY, MARCH 26th**. See the attached flyer for more information. If you cannot participate in Hats 4 Haiti, please try to stop by our penny jar in the front office and drop in any loose change. Together we can save lives!

Dance for RND—Our Jr. SLT will be holding a “fun”-raiser to benefit a former GWCS student and sister of a current 7th grader as she continues her painful battle with Reflex Neurovascular Dystrophy (RND). **THIS FRIDAY afternoon, March 26th**, Middle School students will be dancing to the tunes of our own in-house DJ, 7th grade student, Rahsul Barnes. Admission to the dance will be \$5.00. Money raised will be donated to support RND Research at the Children’s Hospital of Philadelphia. If you are not into dancing, but would like to give to this very worthy cause, please send your donation to school in an envelope marked Jr. SLT – RND Research. Checks should be made payable to GWCS. Thank you!

Pizza Day: The next scheduled pizza day will be Friday, April 16, 2010. Order forms are attached and have also been sent home in the student’s backpack. Orders for pizza day must be received by Friday, April 9, 2010. We cannot accept any orders after that date.

8th Grade Fundraiser – Dine out to Donate: What better way can you think of to generate money for the 2010 8th grade graduating class than to dine out at “Coyle’s Café” with friends, family and other members of the GWCS community. Coyle’s is located at the corner of Ridge Avenue and Connaroc Street. Please see the attached flyer for all the details of this exciting fundraiser.

YEARBOOK PHOTOS NEEDED! – Please help our 8th graders capture the spirit of the 2009-2010 school year by sending in photos of GWCS school events, including field trips, class visits, recess, etc. Mrs. Starke would happily accept these pictures in several forms: via e-mail at nstarke@greenwoodscharter.org, burned on to a CD which can be placed into her mailbox, or even hard copies which can be scanned and then returned. Please remember us when you’re snapping that next picture! Thank you.

Book Fair S-U-C-C-E-S-S! We could not claim success without the multiple parent volunteers who came and helped out with the Book Fair. A special thanks goes out to Melanie Dudek for once again spearheading and dedicating an extraordinary amount of time to the fair.

TD Bank Affinity Membership Program/Fundraiser:

The TD Bank Affinity Membership Program offers a great opportunity to provide financial assistance to Green Woods Charter School. The program is simple: the more Green Woods members who bank with TD Bank, the more money your school can earn. There are no costs involved – in fact it actually pays to belong.

TD Bank will contribute a percentage of the annual balance in every one of our member's accounts. Checking, savings, money market, CD's and retirement accounts are all included. And, there is no limit on the amount of our potential contribution.

If you are already a TD Bank customer, visit any branch and ask to have your balances included as part of Green Woods Affinity Membership Program. If you are not a TD Bank customer, sign up now. As a special incentive TD Bank will add \$25 when you open a new non-interest bearing checking account.

Extended Special Offer

Open a new non-interest bearing checking account by April 30, 2010 and TD Bank will add \$50 to your new account.

SUMMER CAMP OPPORTUNITY: Spend a week this summer experiencing Japanese culture! Children ages 7–12 can try Japanese arts, music, and activities in the beautiful Japanese House and Garden in West Fairmount Park. Four weeks of fun with aftercare available. More information at www.shofuso.com, email info@shofuso.com or call 215-878-5097. Flyer Attached.

THE ACADEMIC REPORT

"If we don't change, we don't grow. If we don't grow, we are not really living. Growth demands a temporary surrender of security." - Gail Sheehy

Third Grade Performance: On Thursday, March 25, at 7:00PM, our third graders will be performing three plays as a culmination of their unit of study during Black History Month. Join us to learn how Harriet Tubman helped many slaves escape to freedom, how Dr. Martin Luther King Jr. fought to end segregation, and how many people fought for equal rights. The production will include "The Railroad to Freedom", "Speaking for Justice: Dr. Martin Luther King", and "K.C.'s Dream".

Hats for Haiti—Have you seen the awesome video recorded and edited by our 8th grade and starring our very caring first graders? If not, it is prominently posted on the front page of our website. A special "hats off" to 8th grader, Dan Maggiano, for his amazing voiceover. Thanks go, as well, to Co-Executive Directors, Nicole Starke and Juli Vitello. Don't forget to wear your favorite Hat for Haiti on March 26th!

Dance for RND—Our middle school students will also be wearing their most comfortable dancing shoes on Friday, March 26th as they Dance for RND. So far our community has raised more than \$350.00 for RND research at Children's Hospital.

PAEE Conference— On March 13th, Jean Wallace, Gin Ranly and Kathleen Geist presented the Green Woods curriculum model to folks from around the state attending the PA Association of Environmental Educators Conference in Blue Bell. It was especially wonderful to finally meet a dynamic team of educators from Frick Park in Pittsburgh! You may recall that GWCS shared our curriculum with them to help open their charter school to children in the Pittsburgh area. We made a promise that we would find a way to connect our two schools in the future.

NSTA Conference—On March 19th, the Same GWCS/SCEE team, along with Anna Marchefka, met with 30 teachers from around the country who were in town attending the National Science Teacher's Assn Conference. Our school was scheduled as a field trip site for this national conference! We presented both our curriculum development process as well as the success of our curriculum. The teachers also got to hike the SCEE grounds to learn more about how students utilize the outdoors as a classroom. Comments ranged from, "I wish I had gone to a school like this!" to "It's so good to see Science at the forefront of a curriculum!" After spending three hours, the teachers left feeling inspired by our hard work and looking forward to sharing what we do with their colleagues when they get back home.

Upcoming Academic Events:

Interim Report Cards come home on Friday, March 26th.

EARTH DAY—"DAY OF SERVICE TO THE ENVIRONMENT"—WEDNESDAY, APRIL 21ST—DETAILS TO FOLLOW!

PSSAs will begin the week of April 12th. Grades 3-8 will take Reading and Math on the 13th, 14th, and 15th. Grades 5&8 will take the Writing PSSA April 19th and 20th. We will close out our PSSA testing with Grades 4&8 taking the Science PSSA on April 28th. Please be sure students get a good night's sleep; eat a hearty, nutritious breakfast, and arrive to school on time. As a reminder, students arriving late on PSSA days will not be permitted to enter class.

Fact Sheet

Jazz Up Your Menu With Fruits for Healthier School Meals

KEY ISSUES:

- People who eat a variety of fruits as part of a healthy diet are likely to have a reduced risk of some chronic diseases.
- The 2005 Dietary Guidelines for Americans recommend that we eat two cups of fruit every day (based on a 2,000 calorie meal plan).
- Remember, fruits:
 - provide nutrients that we need for good health, such as potassium, fiber, vitamin C, and folate.
 - are naturally low in fat, sodium, and calories.
 - have no cholesterol.
- Offer a variety of fruits every week.
- Contact local farmers to start a farm-to-school program to obtain high quality fresh produce. To get started, go to: www.fns.usda.gov/cnd/Guidance.

We eat with our eyes—then our mouths. If it looks good, we'll taste it. If it tastes good, we'll eat it. Because fruits are colorful and delicious, they have built-in kid appeal. And because they are available in so many forms—fresh, frozen, canned, dried, or juice—they give you a quick and easy way to boost the nutrition of your school meals and snacks.

Recipe for Success

Boost the nutritional value

- **Go easy on juice.** Offer most fruit whole or cut up to get more dietary fiber.
- **Vary fruit choices.** Offer fruits with more potassium often, such as bananas, prunes, dried peaches and apricots, cantaloupe, and honeydew melon.
- **Select fruit canned in 100 percent fruit juice or water,** rather than syrup.
- **Cut the fat with fruit!** Try applesauce as a fat-free substitute for some of the oil when baking cookies and cakes.

Add fruit to meals and snacks

- **Buy fresh fruits in season** when they may be less expensive and at their peak flavor; seasonal fruits like tangerines, bananas, or grapes are great on a salad bar.
- **Add crushed** pineapple, mandarin oranges, fresh apples, or grapes to your favorite salad mix or coleslaw.
- **Offer baked** apples, fruit cobbler, or a fruit salad for a dessert treat!

Make fruit look good and easy to eat

- **Choose a variety** of fruits with contrasting colors and shapes to catch kids' attention.
- **Cut up fruits,** especially apples and oranges, to make them kid-friendly and easy to eat.

Easy ways to
follow the 2005
Dietary Guidelines for
Americans

USDA Commodity Food Program

You can stretch your food budget and insure high quality by ordering a wide variety of fruits through USDA's Commodity Food Program and the Department of Defense. Check out the list of available fruits at www.fns.usda.gov/fdd/programs/schenp/ and www.dscp.dla.mil/subs/produce/index.asp.

- **Serve low-fat yogurt** as a dip for fruits.
- **Try a fruit smoothie** at breakfast! Blend fat-free or low-fat milk or yogurt with fresh or frozen fruit like bananas, peaches, or berries.
- **For fresh fruit salads**, mix apples, bananas, or pears with acidic fruits like oranges, pineapple, or lemon juice to keep them from turning brown.
- **Serve individual containers** of fruits like peaches or applesauce as part of a grab-and-go lunch or snack.

Messages for Students

- Cut-up fruit makes a great snack. Or, try whole fresh berries or grapes.
- Dried fruits also make a tasty portable snack. Try dried apricots, apples, pineapple, bananas, cherries, figs, dates, cranberries, blueberries, prunes (dried plums), and raisins (dried grapes).
- When you're craving something sweet, think fruit. It tastes delicious—with no added sugar.

Did You Know?

- It's best to wash all fruits (including melons and oranges) before cutting, preparing, or eating them. Under clean, running water, rub fruits briskly with your hands or a brush to remove dirt and surface microorganisms. Dry after washing.
- Remember to keep fruits separate from raw meat, poultry, and seafood while receiving, storing, or preparing.
