

To Our Dear Green Woods Families,

The holiday season is the perfect time to recognize the people who make Green Woods Charter School the incredibly special place that it is. The PTA has streamlined this process to make it easy for you to recognize the teachers and staff with a monetary gift. In addition to the teachers that work directly with our children, there are many staff at Green Woods that play an active role in the academic, social and emotional life of your child. As a community, we believe that everyone at our amazing school works equally hard to contribute to your child's safe and supportive learning experience. As this busy season quickly comes upon us, we ask that our families please show your support of the efforts of everyone at Green Woods by giving to our collective Staff Holiday Gift. All donations will be equally divided among the GWCS teachers and staff. Please be sure your cash or check is sent to school or via Venmo or PayPal no later than Friday, December 16th so that we have time to recognize the generosity of our community and distribute your gifts to our teachers and staff.

Thank you!

With warm holiday wishes,
Your dedicated PTA
